

SHOW ME YOUR GLORY lyrics by Brad Richardson

Oh to be a friend of God

Righteousness that comes by faith

In the garden Walking with Him

Oh to see Him face to face

To live a life that never ends

To walk with God and be His friend

In the presence of the Lord

Fire by night and cloud by day

In the desert On the mountain

Oh to understand His way

To live a life that never ends

To walk with God and be His friend

Show me Your glory

Show me Your glory Jesus

Show me Your glory I wanna see Your face

Show me Your glory yes

Show me Your glory Father

Show me Your glory I wanna see Your face

Your face

Show Your glory Show Your glory

Show Your glory Lord

Show Your glory Show Your glory

Show Your glory Lord

Show me Your glory

Show me Your glory Jesus

Show me Your glory I wanna see Your face

Show me Your glory

Show me Your glory Father

Show me Your glory I wanna see Your face

Show me Your glory

Show me Your glory Jesus

Show me Your glory I wanna see Your face

Show me Your glory yes

Show me Your glory Father

Show me Your glory I wanna see Your face

I wanna see your face Your face
