

**STILL SOMEHOW** lyrics by Ray Williams

**Time after time**

**I have cried the tears of no control**

**Felt the pain inside my soul**

**Failed to see the forest for the trees**

**Day after day**

**I would walk the crowded streets alone**

**Wand'ring near and far from home**

**Searching for something I could not see**

**Still somehow I found you**

**You were there all along**

**Now I know I found you**

**Waiting just beyond my song**

**Now my life is new each day**

**And with you a whole new way**

**Night after night**

**I would lie awake the countless hours**

**Searching for the hidden key**

**Trying to unlock the mystery**

**Hour after hour**

**The time would fill with emptiness**

**It's a never ending loneliness**

**And I cried out to the ears that could not hear**

Still somehow I found you  
You were there all along  
Now I know I found you  
Waiting just beyond my song  
Still somehow I found you  
You were there all along  
Christ I know I found you  
Waiting just beyond my song

Still somehow I found you  
You were there all along  
Lord I know I found you  
Waiting just beyond my song and  
Still somehow I found you  
You were there all along  
Christ I know I found you  
Waiting just beyond my song  
I'm so glad I found you
