

THESE THREE THINGS lyrics by Ray Williams

These three things I require of you
Act justly love mercy walk humbly too
Would you love with a heart that's true
Abiding in me in all you do

For I am the way I am the way
I am the truth I am the truth
I am the life

These three things I provide for you
My love my son my spirit too
Would you love with a heart that's true
Abiding in me in all you do

For I am the way I am the way
I am the truth I am the truth
I am the life I am the life

Walk in the way
Believe in the truth
Live the life that I give to you
My word is a lamp that will guide your feet
If you only believe in me

For I am the way I am the way
I am the truth I am the truth
I am the life I am the life

Walk in the way

Believe in the truth

Live the life that I give to you

My word is a lamp that will guide your feet

If you only believe in me

These three things I provide for you

My love my son my spirit too

Would you love with a heart that's true

Abiding in me in all you do

For I am the way

I am the truth

I am the life

I am the way

I am the truth

I am the life

I am the life

We walk in your ways

Believe in your truth

Walk humbly too
