

WORD OF THE LORD lyrics by Donna Harvey

When I was just a young child My momma used to scold me

God is gonna get you is what she told me

Said you gotta live righteous life in my God's eye sight

Praisin' the word of the Lord the word of the Lord the word of the Lord

And then one day my momma left me

So quick and on the double

Temptation all around me I was in trouble

I didn't know what to say But on my knees I started to pray

The word of the Lord the word of the Lord the word of the Lord

Praisin' the word of the Lord the word of the Lord the word of the Lord

Hey you know I asked the Lord to help me

Because I don't know what to do

I know I am a sinner Lord I surely do need you

And I wanna live a righteous life in my God's eye sight

Praisin' the word of the Lord the word of the Lord the word of the Lord

Well you know I felt the Lord touch me

Oh and I could see my momma

You did just what I told you Take my child to the water

Where she can be baptized and live her whole life

Praisin' the word of the Lord the word of the Lord the word of the Lord

Praisin' the word of the Lord the word of the Lord the word of the Lord

Praisin' the word of the Lord The word of the Lord

Hey the word of the Lord Say Hmm
