

**SWEET BEGINNINGS** lyrics by Ray Williams

Sweet beginnings Like the morning dew  
Sweet beginnings So fresh and new  
Sweet beginnings For me and for you  
Blessings flow Tried and true Sweet beginnings

By His grace We come together  
And by His grace The storms we'll weather  
By His grace Our lives will grow better  
Blessings flow Ending never By His grace

Sweet Sweet beginnings Sweet Sweet beginnings

With each other Our love becomes whole  
With each other Two hearts become one soul  
With each other Our lives take a lesser toll  
Blessings flow In His control With each other

Sweet Sweet beginnings Sweet Sweet beginnings

With our love We are so right  
And with our love We stand boldly in His sight in his sight  
And with our love He showers us with His light

Oh sweet Sweet beginnings Sweet Sweet beginnings  
Sweet so so sweet Sweet beginnings We have Sweet beginnings  
I love you Sweet beginnings Beginnings Sweet beginnings
