

**IT'S A MATTER OF** lyrics by M. Jason Hickman

Feelin' down Kind of blue

Worldly troubles troublin' you

And your weary 'Cause that worry

Is all you do

So you wanna give up And end it all

'Cause you got your back up Against the wall

And feelin' lonely Is your only

Closest friend You need a friend

It's a matter of love Matter of love

A matter of hope Matter of hope

Matter of peace Matter of peace

Matter of faith Matter of faith

Just a matter of trust in Jesus Christ and His amazing grace

It's a matter of love Matter of love

A matter of hope Matter of hope

Matter of peace Matter of peace

Matter of faith Matter of faith

Just a matter of trust in Jesus Christ and His amazing grace

So you try your best All the time

But situations just don't fall in line

And that bad news Is the only news headlines for you

It's a matter of love Matter of love

A matter of hope Matter of hope

A matter of peace Matter of peace

**Matter of faith Matter of faith**

**Just a matter of trust in Jesus Christ and His amazing grace**

**Trust in Jesus Christ and His amazing grace**

**Trust in Jesus Christ and His amazing grace**

**It's a matter of Love**

**It's a matter of y'all Hope**

**Lord it's a matter of Peace**

**It's a matter of Faith**

**I know it's a matter of yea yea Love**

**Hey it is a matter of Hope**

**Oh yea Peace**

**Said that it's a matter of y'all Faith**

**It's a matter of**
